

Insurance Discount Eligibility Certificate

The vehicle listed is equipped with Ikon Connect, a connected vehicle protection system designed to help prevent theft and support rapid recovery.

Ikon Connect includes:

- Connected car technology with history and real-time vehicle location capabilities
- Stolen Vehicle Recovery Mode, activated by the vehicle owner through the Ikon mobile app
- Live location sharing with law enforcement to support recovery efforts
- Tamper alerts if the recovery device is disconnected or removed
- Geofence and speed notifications for unauthorized movement or unsafe driving
